MARIA & MIKE'S FAVORITE REDBONE ALLEY® AIOLI: CHIPOTLE

FAVORITE USE: "We call pork chops Chop-Chops because they're super-fast. Just brush them with Chipotle Aioli and that's it. We cook the corn with aioli, too."

MAJOR-LEAGUE MALARKEY: "This is definitely a 2-person operation. Choosing ingredients, creating the sauce, cooking the chops until they're perfect...The pressure is incredible. But friends like you are worth it."
