## A.T.'S FAVORITE REDBONE ALLEY® AIOLI: **ROASTED GARLIC**

**FAVORITE USE:** "Steak coated in Roasted Garlic Aioli, charcoal-grilled 6 minutes each side. I even use the aioli to jazz up my fries. It's way better than ketchup."

**HEAVYWEIGHT HOGWASH:** "I precisely measure and blend the ingredients. Then, I marinate the meat for 5 days. Finally, I give the steaks a good brushing before cooking them over red-hot coals."
